

**MEDICARE
ENDOSCOPIC EXAMINATION INFORMATION**

If your **symptoms include nasal, throat or ear problems**, a complete diagnostic examination will include a micro-fiberoptic endoscopic examination, which can be recorded and shown to you for your education.

This examination is not painful and takes only a few moments. The **Medicare fee for this procedure is \$436.18** and payment is expected each time this procedure is performed. We will file the claim with Medicare on your behalf.

The most precise way to examine the nose, sinuses and throat is by the use of this advanced technology. **Without it, diagnostic evaluation is incomplete.** This test will be repeated as necessary at the discretion of the physician throughout the course of your treatment.

If you have questions regarding this examination, a nurse will be glad to answer those questions once you have been seated in an examination room. Please hold all questions until that time. You may sign this form after having your questions answered.

I understand the above information and further consent to Endoscopic Examination. This consent is valid for one (1) year from the date signed.
